Faculty

Sue Dill Calloway, RN, MSN, JD is a nurse attorney, medico-legal consultant and long-time educator for nurses, physicians, and other healthcare providers. She is a frequent speaker and is well known across the country in the areas of healthcare law, risk management, and patient safety. Ms. Calloway received her Bachelor of Arts, Bachelor of Science in Nursing, Master of Science in Nursing, and Doctor of Jurisprudence from Capital University in Columbus, OH. Additionally, she is certified in healthcare risk management by the American Society for Healthcare Risk Management and is the first in the country to be certified in CMS regulatory compliance.

Planning Committee

Sue Dill Calloway, RN, MSN, JD
Amy Johnson, MSN, RN, CPN, Lead Nurse Planner

Financial Disclosure

It is the policy of Relias Learning that all faculty participating in continuing education activities disclose to the audience in advance of the activity any consultant, stockholder, speakers' bureau, research, or other financial relationships with companies having ties to this field of study. We disclose that Sue Dill Calloway, RN, MSN, JD, and Lead Nurse Planner Amy Johnson report no relevant financial relationships related to the material presented in this webinar.

Intended Audience

Anyone involved with or interested in compliance regulations and standards, including but not limited to: CEOs, CFOs, COOs, CMOs, CNOs, CE Directors, Department Directors, Quality Improvement Staff, Physicians, Nurses (all levels), Compliance Officers, CMS Liaisons, TJC Liaisons, Registration Staff, Safety Officers and Staff, Pharmacy Staff, Ethics Committee Members, Consumer Advocates, Risk Managers, Legal Counsel, Behavioral Health Staff, Psychiatry Staff, Social Workers, Discharge Planners, Case Managers, Hospice Staff, and Regulatory Affairs Staff.

Learning Objectives

At the conclusion of this webinar participants will be able to:

1) Describe the American College of Radiology standards for MRI safety.
2) Explain why every hospital should create a safe injection practices policy.
3) Explain new and revised standards, regulations, and laws put forth by CMS, TJC and the federal government.

Non-endorsement of Products

Mention of products or services in this webinar does not constitute endorsement. Clinical, legal, tax, and other comments are offered for general guidance only; professional counsel should be sought for specific situations.
